Note:

By direction of the Ulster Branch, we have been advised to inform all players that before participating in any game they must wear shin guards, ankle guards and mouth guards. Any player not wearing this protection will not be prevented from playing but they take the pitch completely at their own risk and the club will not be responsible for any injury sustained as a direct result of not wearing this protective gear.

We must also advise you that Bangor Men's Hockey Club holds Public Liability Insurance but does not have Personal Accident Insurance. As per Ulster Branch instructions we must make our members aware of the fact that they can, as Individuals, take out Personal Accident Insurance for themselves.
